

Optional Equipment Rentals

Described below are some of the "extras" we offer here at Voyageaire. As always, feel free to call for more details or if you have any questions about these items.

Hospitality Service This charge is a one-time fee for our "up lake" delivery service. All you have to do is call us in the morning using your houseboat marine radio, let us know where you will be, and we will deliver your requests to your location. **If you do not use the service during your stay, your fee will be refunded.** It is a great option if you need gas, bait, ice, snacks, beverages or anything else during your trip! \$55 for a 3-4 day trip, \$75 for a 5-7 day trip

19' Run-about with a 150 hp four-stroke motor. This fishing boat is perfect for cruising the lakes, looking for wild life or trying to catch the one that got away! This spacious boat offers plenty of storage, bow mount electric trolling motor, depth finder and a 72 qt. on-board cooler. If you want a little more speed and luxury or a little more room for fishing, this rig is the answer. \$175.00 a day, \$850.00 a week

17' Angler with a 50 hp four-stroke motor. This boat is great for the serious angler or the family who wants to get around a little faster. It offers side steering, a live well, electric start, bow mount electric trolling motor, trim and tilt, depth finder and a windshield. \$130.00 a day, \$610.00 a week

17' Pro Sportsman with a 40 hp four-stroke motor. This boat has pedestal seats, floor, depth finder and electric start. It is perfect for back trolling for the big walleyes! \$110.00 a day, \$550.00 a week

24' Pontoon boat can easily be towed behind the houseboats. It is great for families who want extra comfort and space while enjoying the beautiful scenery of Voyageurs Nat'l Park. \$175.00 a day, \$850.00 a week

16' fishing boat This is a basic fishing boat with bench seats. You may rent a 15 hp motor or bring your own motor for this boat. This is an aluminum boat best used to fish close to the houseboat and to check the area out before bringing the houseboat onto the beach. \$35.00 a day, \$170.00 a week

15 hp motor The smallest motor available to rent if you do not bring your own motor. \$40.00 a day, \$180.00 a week

Canoes These are great for paddling the shorelines or portaging into the remote interior lakes. Canoes can be placed conveniently on the deck of the houseboat while traveling. \$25.00 a day, \$125.00 a week

Kayaks These are becoming more and more popular each year. Kayaks are wonderful for enjoying the quiet beauty of the lakes while getting a little exercise. We have single kayaks and one new tandem kayak available for rent. Single \$30.00 a day, \$150.00 a week / Tandem \$40.00 a day, \$200.00 a week

Mukooda boat We have a boat available to rent on Mukooda Lake. Park your fishing boat at the dock on Crane Lake and hike over to Mukooda for the day. This lake has great fishing including lake trout, large mouth bass, walleye and pan fish that the kids will love to catch. \$50.00 a day
