Our new lodge features 14 comfortable guest rooms and suites—one on the main level and 13 on the upper level. The main level greets our guests with an inviting and relaxing lobby, choice of indoor or outdoor dining, and a spacious bar and lounge that leads out to a wraparound deck overlooking Crane Lake. Some of the guest rooms and suites adjoin to accommodate larger groups. For the best selection in rooms and suites, we suggest you book as early as possible.
