Welcome

To experience the incredible beauty of Voyageurs National Park, there’s really only one place that offers unparalleled comfort and service, Voyagaire Houseboats. We invite you to enjoy the wilderness as you never have before—aboard a spacious luxury houseboat, perfect for small and large groups of explorers, families or fishing parties. We take pride in offering our guests the best in accommodations and hospitality. Mother Nature provides the rest!

For more than 55 years, Voyagaire has offered the Midwest’s largest and most modern fleet of rental houseboats. Discover abundant wildlife in more than a quarter million acres of shoreline that varies from sheer rock walls to deep, rugged forests or sunny inlets, all home to deer, moose, eagles, loons and more. The ancient wilderness and waterways of Voyageurs National Park must be seen to be believed, and we believe the best way to see it is by making Voyagaire Houseboats and Lodge your vacation destination!
Take your pick

At Voyagaire, we consider our guests part of our extended family, so we’re willing to go the “extra mile” to make sure your vacation experience is more than good or even great—we want your Voyagaire Houseboat vacation to be unforgettable. Enjoy warm evenings under the stars in fully equipped boats featuring ample space and all the amenities of home. Barbecue on the lower deck or use the fully equipped kitchen inside. We have everything you need for an enjoyable vacation, including optional food provisioning.

Imagine sunbathing on the upper deck, rejuvenating in the hot tub under the stars or retreating to the cabin while the waves lap on the nearby shore. We’ll help you find the best places to fish, view wildlife, or relax and take in the natural and historic beauty of Voyageurs National Park. Two of our staff conveniently live along the houseboating routes and are always willing to offer a helpful hand, share their boating expertise and amaze you with historical tidbits. You’ll enjoy tuning in your marine band radio each morning for up-to-date tips on wildlife sightings and fishing hot spots. And, as evening draws its sparkling shade, play along with the rest of the boaters and guests on the lake in Voyagaire’s competitive marine band trivia games. The lure of the park’s magnificent scenery and fantastic adventure is proven year after year when families and groups return to Voyagaire. Ask us anything—from fishing regulations to what to bring—if we don’t have the answer, we’ll find it and make sure we do everything we can to give you the best houseboat vacation possible.

Explore

During the 17th century, Indians and French-Canadian trappers known as voyageurs traveled the many waterways of northeastern Minnesota, carving paths through the endless wilderness. Today, many of these remote lakes and forests are preserved in Voyageurs National Park, a paradise of peaceful coves, majestic rocky shorelines and sunny, tranquil bays. Our fleet of modern houseboats lets guests experience the stunning landscapes of Crane, Sand Point, Namakan and Kabetogama lakes. And just when you think it can’t get any better, you’ll realize that our dedication to making your trip unforgettable goes above and beyond what you expected! Whether you come for our friendly northern hospitality, to fish, swim or escape to your own secluded harbor, the best place to relax is on the water, where gentle waves soothe the body and soul alike. We want our guests to be amazed by their houseboat experience, and we’ll do anything we can to make that happen!
Join us this spring for some of the best fishing in the Midwest. Walleye, northern pike, bass, muskie or panfish—any of these could be your catch of the day. Fishing is normally fantastic, but it’s not the only fun thing to do while you’re here. Explore the region, you won’t be disappointed!

Summer months, you’ll find the lakes cool, clean and refreshing—so jump right in! Hiking trails lead from our lodge to the Vermilion Gorge, where rushing water has cut a canyon into the stony ground, native marshes, and through our rare boreal forests. A unique day trip could take you to Orr and the Vince Shute Bear Sanctuary, where you’ll get up close and personal with black bears. Nearby, the Orr Bog Walk offers an especially nice way to view nature, particularly the Minnesota state flower, the elusive ladyslipper. Our quaint, historic village of Crane Lake invites you to browse many unique shops. And the nine-hole Vermilion River Golf Course is just minutes away; if you like the links be sure to include an afternoon of great golf! Check out miles of biking and hiking trails lined with berry patches or explore the lakes by canoe or kayak. You’ll also want to visit the historic Kettle Falls Hotel.

Cool, fall evenings invite you to enjoy the sweet taste of s’mores roasted over a crackling campfire at designated sites. We offer great discounts in fall, so consider a Voyagaire vacation that coincides with the turning of the leaves. Whatever the season, Voyagaire Lodge and Houseboats is the perfect getaway.

Make tracks and relax

Snowmobilers will find themselves centrally located on the most scenic and best-groomed snowmobile trail system in all of Minnesota. Rentals, gas, oil and maps are available, along with special lodging packages for groups. Break trail through the U.S. and Canadian wilderness—nothing compares to the power (and powder) of an untouched blanket of snow. Follow a well-mapped, well-marked route or explore remote areas. Whether you’re on skis, backpacking with snowshoes or riding a sled, an all-day run or a short trip may include wildlife, tall timber, centuries-old trading routes, spectacular scenery and more. Top off the day by relaxing by the fireplace in our new lounge and enjoying an outstanding meal. There’s no other winter experience like it.

Frequently asked questions

Q. Do we have to start our vacation on a certain day?
A. You may start your vacation any day. A week is seven nights and there is a three-night minimum.

Q. How much fuel will we use during a trip?
A. Five to 25 gallons per day are average. Usage will vary widely based on the size of your boat and how much cruising you do. Typically, your boat will not need refueling during a week’s time, but if it does, our hospitality service will deliver fuel. Fuel may also be purchased at various points throughout the park.

Q. What is the hospitality service?
A. We provide deliveries daily to our guests. Call the lodge the evening before your delivery is required or by 10 a.m. Provide a list of items needed, such as gas, ice, pop or food. The delivery boat will be at your houseboat that afternoon or evening. There is a small, one-time fee for this service.

Q. Do we need any special navigation skills or a license to operate a Voyagaire Houseboat?
A. No, no experience is necessary. A complete set of fully marked charts and an information booklet are aboard each boat. There is a chain of color-coded and numbered buoys running from one end of Voyageurs National Park to the other. We highly recommend you download Navionics Boating US & Canada to your smart phone before arrival. You will find this app to be very helpful.

Q. Are pets allowed?
A. Yes. We accept pets in the lodge and on all houseboats, except the Voyagaire 550 for a non-refundable charge of $10 per night in the lodge or $50 per trip on the houseboats. Pet owners are responsible for cleaning up after their dog and must keep their dog on a leash while at base.

Q. Do we need a fishing boat?
A. A fishing boat and motor are required with each charter. You may bring your own or rent one. Multiple boats, larger boats, runabouts, bass boats and pontoons are easily towed behind the houseboat with a tow bar supplied.

Q. Are there generators?
A. The Hot Tub and Deluxe Sportcruisers, Suncruisers, Sunseekers and Voyagaires are equipped with a primary marine generator that produces a noise within the houseboat similar to a refrigerator. These generators operate all the onboard appliances, air conditioner, plus any small appliances you bring from home. For other houseboats, a small generator may be rented to operate power appliances you bring from home.

Q. How are emergencies handled?
A. The radio in your houseboat or your personal cell phone (where service is available) may be used to communicate with base. In the case of a medical emergency on your boat, we will respond with our service boat or 911 out of Crane Lake. In some cases, the Voyageurs National Park Rangers may respond. If your houseboat needs servicing while on the water, a service boat will be sent out immediately. If you are using the hospitality service, we will know your location at all times.

Q. Where do we get bait and a MN fishing license?
A. You can secure both at a local bait shop.

Q. Do we need a Canadian fishing license?
A. Only to fish in Ontario. Most of the lakes you will be cruising and all of the Voyageurs National Park waters are within the Minnesota boundary.

Q. Will a C-PAP machine work on the houseboat?
A. Yes, battery packs are suggested and are available for rent at Voyagaire.
Rules and regulations

RULES & REGULATIONS - Read these carefully to know what to bring, what is provided, and what to expect on your vacation. The staff at Voyagaire Lodge is pleased.

PREPLANNING - With your reservation confirmation, you will receive a detailed list of what you should bring with you and what is supplied with your houseboat.

DEPARTURE AND RETURN - A three-day minimum rental is required for a reservation. Boarding time is between 3 p.m. and 6 p.m. and return time is between 7 a.m. and 9 a.m. on your final day. If you are returning the houseboat prior to your scheduled departure date, it must be back in port by 4 p.m.

DEPOSITS - A deposit is required to secure a reservation. Deposits/ payments are non-refundable.

VOYAGEURS NATIONAL PARK PERMITS - We will provide overnight permits for your houseboat. New in 2017, reservations are required for houseboats overnight in Voyageurs National Park. The park is calling them reservations, but they are truly only permits for a time frame and are not site-specific for houseboats. We will purchase the permits for your houseboat reservation and have them ready when you arrive. There is no additional charge. The cost of the permit is included in your houseboat rate.

MOORING AT NIGHT - Houseboats are required to be beached overnight. Voyageurs National Park has a multitude of well-spaced, secluded beaches to secure your houseboat for the night — they are marked on your navigational charts. All houseboats are equipped with mooring lines, and beaching procedures are part of your check-out instructions before leaving the dock.

BOATS, MOTORS AND GUIDES - A fishing boat and motor are required with each houseboat. You may either bring your own boat and/or motor or rent them at the lodge. We are a Yamaha dealer and all of our outboards are replaced with new 4 stroke motors every year and are maintained by our well-trained staff of mechanics. Fishing, hunting, and tour guides are independent contractors and are hired directly by you. Voyagaire Lodge & Houseboats will be happy to make arrangements for you. Please call ahead of time so one will be available to meet your needs.

RESPONSIBILITIES - You are responsible for any service, damage or loss of equipment other than mechanical problems. You will be required to sign a bare-boat charter. The boat will be checked prior to departure and upon return.

PAYMENT - Payment is due 90 days prior to arrival. Gas tanks are filled prior to departure and refilled on your return. You only pay for the gas you use. Payment can be made by bank cashier’s check, personal check, travelers checks, cash, or credit card. We accept VISA, MasterCard, Discover. A 3% processing fee will be added to your balance if you make a final houseboat payment by credit card.
